Tournament Organization

Pre-registration through submission of club entry forms by Tuesday, February 2, 2010 is required in order to avoid delays in the tournament. No competitors will be registered who have not pre-registered or made special arrangements with the Tournament Director.

The new **Judo Canada 2010 Tournament Standards Policy** will be followed. The major impact of the new mandated Judo Canada tournament policy is as follows:

Weight categories will be sub-divided into categories for White/Yellow/Orange/Green and Blue/Brown/Black competitors except where deemed appropriate by the Tournament Director. Mixed belts will normally compete in the lower applicable category (i.e. green/blue belt will compete in the Yellow/Orange/Green category).

The tournament will take place in the gym of the Holy Spirit High School in Manuels, CBS. Registration and other activities on Friday and Sunday will take place at the Memorial University of Newfoundland Physical Education Building.

The order of competition will be U11, U13 and U20, followed by the U15, U17 and Senior categories. Medals for the categories will be awarded after the completion of the U11, U13 and U20 categories and again following the completion of the other categories.

Rules and Systems

IJF rules will be used along with categories, bout times and forbidden techniques as in the above table. Medals will not be awarded in categories where there is only one competitor.

Note that the **new IJF** rules will be applied (i.e. no Koka, no leg attacks, etc.). Medical Intervention and “Golden Score” rules will be applied to U17 and older categories only.

The Tournament Director, with permission of all involved coaches, reserves the right to move competitors to another category if there are less than 3 competitors in their category.

Awards

1st, 2nd, and 3rd place medals will be awarded in all age categories. U11 and U13 competitors that do not place will receive a participation medal.
